- [Free Power Nights \(7-11 PM\) 8 Rate Plan Summary](#)

This price includes your electric generation charge, transmission charge, and gross receipts tax. This rate is applicable to electric generation service only and does not include the Electric Distribution Company's (EDC) charges and taxes. This offer is available to new customers only. Direct Energy reserves the right to profile or estimate hourly consumption if the EDC interval usage information is deemed incorrect or impartial based on the EDC's summary usage. Direct Energy also has a right to use EDC interval usage with a meter multiplier as actual and true usage.

Please see the Disclosure Statement for more information and other applicable fees for this plan.
